CLASSIC TOUR «THE VINEYARDS»

Our guides will show you their region - Come with us on an unforgettable and interesting tour in the Lavaux region with the innovative Segway!

The tour starts in Puidoux, where our guides will introduce the Segway to you.

We leave Puidoux and drive through the idyllic village of Chexbres and then take a small, pleasant road into the vineyards and admire the beautiful view of Lake Geneva while sipping a glass of wine. The road continues through the magnificent vineyards to St-Saphorin where we admire the beautiful streets and the pretty village center. We continue through the vines to Rivaz. If you wish, we can organize an informative tasting in the Lavaux-Vinorama.

Afterwards, another ascent to the village of Chexbres awaits us. We cross again the small but nice village and arrive after 2.5 hours back at the starting point.
