## SPECIAL-TOUR «LAKE BRIENZ»

Our guides show you their city. Come with us on an interesting and unforgettable tour through Interlaken and the surrounding area with the innovative Segway!

The tour begins at the mobileo Office in Unterseen and passes the blue Aare to Interlaken. Along the Höhematte, the Japanese Gardens and the Castle Interlaken the route follows in the direction of Bönigen. This beautiful little village lies on the south bank of the Lake Brienz and offers a fantastic view of the surrounding mountains. From Bönigen we drive to Iseltwald, initially along the flat south bank of the lake and then allowing the Segway to carry us with undiminished speed up the steep hills above the lake. Upon arrival in Iseltwald we enjoy the stunning panorama across the mesmerising, one of a kind blue-green waters of the Lake Brienz.

At Iseltwald we board the steamboat "Lötschberg" with the Segway and enjoy a cruise with BLS Berner Oberland back to Bönigen. This ship is an original, renovated, Swiss steamboat, offering a combination of romance and nostalgia. Onboard we enjoy the sights in the fresh air on deck or in the enclosed Panorama Restaurant. After disembarking, we continue on the Segway exploring the old village center of Bönigen and marvelling at the beautifully carved and painted houses.

We drive over the former military airport to beautiful Matten where the theatre of the story of William Tell is reenacted during the summer months. From Matten we drive via the Höhematte and the center of Interlaken back to Unterseen with the tour taking a total of 4 hours.
